

Supplier confirmation regarding REACH and RoHS II (2018)

For sure you are already familiar with the following EU (EC) guidelines the manufacturing industry has to implement. According to this, all manufacturing companies are obliged to implement the contents of these regulations. No company or supplier along the supply chain is excepted from these guidelines.

All companies are obliged to announce if substances are used along the supply chain which are governed or prohibited by the following EU (EC) guidelines. Therefore we ask you to send us **your appropriate confirmation** or sign this confirmation and return it to us promptly. Please use the following email address: [einkauf@wema.de](mailto:einkauf@wema.de) to do so.

Herewith we approve the conformity of the goods manufactured or supplied by us with

1. the regulation (EC) 1907/2006 (REACH) and
2. the directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS II Directive 2011/65/EU).

Re. 1. All of the supplied goods by us meet the requirements of the latest REACH Candidate list of Substances of Very High Concern for Authorization. You can find the list online at the European Chemicals Agency:  
<http://echa.europa.eu/de/candidate-list-table>.

We will inform our customer (WEMA) immediately if the supplied goods by us do not meet the requirements of REACH any more or will no longer meet the requirements with an update of the SVHC list.

Re. 2. All of the supplied goods by us comply with the RoHS II directive **or they are not affected by it**. You can find the directive online at:
